## Welcome from Psi Omega!

Congratulations on being invited to this interview at The Ohio State University College of Dentistry! Dental School isn't easy, but Psi Omega can make it easier and more enjoyable. Psi Omega Dental Fraternity was founded at the College of Dentistry in 1901. Currently the Ohio State Psi Omega chapter is one of only five dental schools in the country to have a house where members can live together. Psi Omega's house currently has nineteen rooms occupied by members of the dental and hygiene classes. It is a fantastic networking tool. There is always someone close by to help with classes, tips on lab work, and unwind with! We have very active alumni who give generously back to the house to keep living here enjoyable. The house is close to the Newport Music Hall, the Ohio Union, South Campus Gateway, and several other local eateries and bars. It is half mile or approximately 10-15 minute walk and parking at the house is included in your membership.

## Why should I join?

You do not have to live in the house to enjoy all of the benefits of being a member of Psi O! Benefits include:

Dinner and learns: free food and lectures on topics you don't get in school.

- New composite materials
- New high-tech drills
- Laser and water-powered cutting instruments
- Cone beam technology
- Practice management software
- Financing and insurance
- Digital chair side impressions
- HR Practices and philosophies

Help sessions: Every year upperclassmen help D1s(1<sup>st</sup> Year Dental students) transition to life during dental school with several help sessions

- Oral anatomy tooth review
- Cast pouring project help session
- Lab help session for crown course
- Gold crown casting help session
- Reviews before big exams

Social events:

- Tailgates on all game days (lots of free food and beverage,
- Quarterly parties with a free dinner for Psi O members beforehand
- Thanksgiving dinner, a catered meal for current and past Psi Omega members.
- Senior appreciation Dinner, a fabulous dinner at a local Columbus restaurant

Parking on campus

## Thinking of Living at Psi O?

Great! Every year 4-5 rooms become available for incoming D1s. It is a huge advantage to be living with other dental students. The house is Co-ed and currently we have 9 guys and 10 ladies living here. Rent is \$800/quarter (or roughly \$268/month), and that includes membership dues and utilities. If you think you might be interested, contact Max Grosel (grosel.3@buckeyemail.osu.edu) to arrange a visit (located at 85 E 13<sup>th</sup> ave. Columbus Ohio) to see the house and meet future roommates!

The house features a large kitchen and dining area, a large living room with a big screen HD TV with stadium seating, a pool table, darts etc. The house also has a custom outdoor grill, laundry facilities in the basement, as well as a functional dental laboratory. If you are looking for a place to live where you can unwind after class, work with and get advice from classmates and upperclassmen, and make your four years of Dental School more enjoyable, come check us out. We like to work hard and do well in school, but we also love to have a good time when the lab work and studying is finished.

## Cost

We can assure you that the benefits of membership far outweigh the modest fee. For dental

students, a one year membership in Psi Omega is \$225. If you join as a D1 there is a reduced introductory rate of \$200. This includes parking behind the house, and all the aforementioned benefits! Please contact Steven Vorholt, D2 (steve.vorholt@gmail.com) or Max Grosel, D3 (grosel.3@buckeyemail.osu.edu) with any questions about Psi Omega.
